ஸ்ரீ கந்தர் சக்ஷிடி கவசம்

காப்பு:

(impurities) i.e. ANavam - kanmam - mAyAi (arrogance, karma delusion), ur = extinguishing. So it means - we should chant Kandha shashti Kavacham without any desire or malams).

This Skanda Sashti Kavacham,
Which has been composed,
By the young Deva Rayan,
And meditate on that god with concentration,
And wear the sacred ash,
Will get the great blessings,
Of all the devas from all eight directions,
And the guardians of the eight directions.

All strangers would come and salute them,
The nine planets will become happy,
And shower their blessings,
They would shine in prettiness.
They would happily live on all days,
If they recite this Kavacham,
Which is given below.

**vazhiyaay kaana meiyaay vilangum
vizhiyaal kaana verundidum peigal
pollathavarai podi podi yaakkum
nallor ninaivil nadanam puriyum
sarva sathuru sankaa rathadi (220)**

If seen as a way, this Kavacham would show the truth,
If seen of Ghosts by their eyes, they will get scared,
It would powder bad people,
And the good people would dance with joy,

And all their enemies will be exterminated
